

Presentation Proposal

U. S. Department of Energy 2003 Computer Security Group Training Conference 25th Anniversary – United We Stand

Please submit your proposal by January 15, 2003. Due to heightened concerns about postal mail, electronic submissions are preferred. However, you may also submit your proposal in hard copy using postal mail by clearly indicating your return address and marking it as a conference submission.

Submissions can be made to:

US Postal Mail:

Rose Guzman Konopka

LLNL - CIAC

P.O. Box 808, L-303

Livermore, CA 94551-0808

E-mail:

konopka1@llnl.gov

Please complete all information below and attach an abstract of 500 words or less. A short summary (1 or 2 sentences) must be included which will be printed in the conference agenda to provide attendees a short explanation of the presentation.

Check the appropriate description of this presentation:
