N1-434-98-27

1. DOE Defense Programs may from time to time suspend the disposal of DOE records (whole series or parts thereof) covered by one or more items of N1-434-96-5 (DOE Records Schedule 3 Nuclear Weapons Records) which contain information necessary to ensure the safety, security, and reliability of the nuclear weapons stockpile in support of the nuclear weapons Stockpile Stewardship program. Authorization to resume disposal actions will be issued when the information has been captured and included in an appropriate information system.
