Subject: RM Numbered Memo 2002-2: Comments on EPA Establishment of Electronic Reporting

Please see the attachment below from the Office of Environmental Policy and Guidance. They are soliciting Departmental comments on the proposed EPA rulemaking and outline specific concerns. If you have any comments on this proposed rule, please send them to Jay Blewett and me by Friday, November 9, 2001, in order to include them in a consolidated records management response to EH. This proposed rulemaking was previously sent out as a numbered memo for your information.

If you have any questions, please call me on 301-903-3666.

Thanks, *Su*
